

## Table of Contents

Detailed Table of Contents .....	ii
List of Figures .....	v
List of Tables .....	vi
List of Appendices .....	vii
1. Introduction .....	1
2. Existing Conditions .....	14
3. Watershed Impairments .....	48
4. Available Agricultural Management Practices and Programs .....	55
5. Urban Management Practices and Programs .....	60
6. Recommendations and Prioritized Action Plan .....	66
7. Potential Funding Sources .....	92
8. Monitoring Plan Successes .....	100
Glossary .....	117
Acronyms and Abbreviations .....	124
Literature Cited .....	126
Appendices (due to size and number are included on the attached CD)	

Detailed Table of Contents

<b>1. Introduction</b>	1
Watershed Overview and Location	1
Importance to Reader	4
Reason for Update	4
Vision Statement	6
Committee Goals	6
Plan Development Process	6
Land Owner Bill of Rights	7
Watershed Roles and Responsibilities	8
<b>2. Existing Conditions</b>	14
Introduction	14
Climatic and Hydrologic Conditions	14
Climate	14
Hydrology	16
Hydrologic Modeling	18
Natural Conditions	19
Geology	19
Topography and Relief	21
Soils	21
Water Bodies	23
Wetlands	26
Public Open Space	28
Biological Assessments	28
Woodlands	32
Cultural Resources	32
Population	32
Development Trends	35
Impervious Cover	36
Political Jurisdictions	36
Current Land Uses	37
Agricultural	37
Residential	38
Schools	39
Industrial	39
Mining	39
Transportation	40
Existing Water Protection Programs	40
National Pollutant Discharge Elimination System	40
Local Ordinances	42
Federal Regulations	44
Illinois Regulations	46
Illinois Water Quality Standards	47
<b>3. Watershed Impairments</b>	48
Types of Impairments/ Causative Agents	48

Sources of Impairments .....	50
Existing Impairments .....	51
Potential Future Impairments .....	53
4. <b>Available Agricultural Management Practices and Programs</b> .....	55
Introduction .....	55
Programmatic Practices .....	55
Conservation Reserve Enhancement Program .....	55
Conservation Reserve Program .....	56
Farmable Wetlands Reserve Program .....	56
Illinois Department of Agriculture – T by 2000 .....	57
Illinois Department of Agriculture Livestock Management Facilities Program .....	57
Nutrient Management Planning .....	58
Non-Structural Best Management Practices .....	59
Structural Best Management Practices .....	59
5. <b>Urban Management Practices and Programs</b> .....	60
Introduction .....	60
Public Education and Outreach .....	60
Public Involvement .....	61
Illicit Discharge Detection and Elimination .....	61
Construction Site Run-Off Control .....	62
Post-Construction Run-off Control .....	63
Pollution Prevention/Good Housekeeping For Municipal Operations .....	64
6. <b>Recommendations and Prioritized Action Plan</b> .....	66
Introduction .....	66
Agricultural Recommendations .....	66
Continued Good Stewardship .....	66
Riparian Buffers/ Filter Strips .....	67
Natural Resource Preservation .....	67
Urban Management Recommendations .....	67
Public Education and Outreach .....	68
Public Involvement .....	69
Illicit Discharge Detection and Elimination .....	70
Construction Site Run-Off Control .....	70
Post-Construction Run-off Control .....	74
Suggested Best Management Practices For the Watershed .....	74
Pollution Prevention/Good Housekeeping For Municipal Operations .....	85
Prioritized Action Plan .....	85
7. <b>Potential Funding Sources</b> .....	92
8. <b>Monitoring Plan Successes</b> .....	100
Introduction .....	100
Improve Water Quality .....	100
Riparian Buffers/Filter Strips .....	101

Post Construction Runoff Controls – Development .....	102
Improve Aquatic Habitat .....	103
Enforcement of Construction Site Runoff Controls .....	104
Development of Illicit Discharge Detection and Elimination System .....	105
Create Aux Sable Creek Watershed Overlay District .....	106
Restoration of Natural Areas .....	107
Post Construction Runoff Controls – Retrofit .....	108
Education/ Outreach – Coalition Meetings .....	109
Programmatic Natural Resource Protection .....	110
Stake Holder Input Survey .....	112
Aux Sable Creek Watershed Website .....	112
Community Involvement .....	113
Classroom Education .....	114
Water Conservation Programs .....	114
Good Agricultural Stewardship .....	115
<b>Glossary</b> .....	117
<b>Abbreviations</b> .....	124
<b>Literature Cited</b> .....	126
<b>Appendices</b>

List of Figures

Figure 1 - Location of Aux Sable Creek Watershed .....	1
Figure 2 - Watershed Coverage by County (ac) .....	1
Figure 3 - Sub-Watershed Locations .....	2
Figure 4 - Sub-Watershed Size .....	3
Figure 5 - Monthly Temperatures Recorded at Morris (Midwest Regional Climate Center) .....	14
Figure 6 - Monthly Precipitation Recorded at Morris (Midwest Regional Climate Center) .....	15
Figure 7 - Seasonal Snowfall Recorded at Chicago - Midway Airport (Midwest Regional Climate Center) .....	16
Figure 8 - Hydrologic Soil Groups (SSURGO) .....	17
Figure 9 - Hydric Soils (NRCS) .....	22
Figure 10 - Waterbodies (National Hydrography Dataset) .....	24
Figure 11 - NWI Wetlands (IDNR) .....	27
Figure 12 - US Census Blocks Included in Population Calculation (US Census 2000) .....	34
Figure 13 - Population Trends in Kendall and Grundy Counties ...	36
Figure 14 - Boundary Agreement Borders .....	37
Figure 15: Grassed waterway through an agricultural field. ....	67
Figure 16: Grassed waterway along a roadside. ....	75
Figure 17: A rain garden created at the base of an embankment of the roadway. ....	76
Figure 18: Permeable paver parking lot with bioswales at the Morton Arboretum in Lisle, Illinois. ....	77
Figure 19: Wetland bottom detention pond with some patches of open water .....	78
Figure 20: Level spreader outlet used in a recently restored riparian buffer .....	80
Figure 21: Stabilized stream channel adjacent to a stormwater basin ...	82
Figure 22: Erosion control blanket used after seeding a newly constructed stormwater detention basin .....	83
Figure 23: Coir logs installed at a stormwater outlet (flared end section) along with rip-rap to prevent sediment from leaving the site. .....	83

## List of Tables

Table 1: Committee Goals Which Were Considered Significant by Committee Member Vote. ....	7
Table 2: Aux Sable Creek Watershed Stakeholders .....	9
Table 3: Curve Numbers based on Land Uses and Hydrologic Soil Groups (AMC = II) .....	18
Table 4: Modeled Discharges for Aux Sable Creek into the Illinois River for Specific Storm Events (ISWS) .....	19
Table 5: National Wetland Inventory Summary (USWFS) .....	28
Table 6: Sample Locations for IDNR Biological Studies (Rung and Pescitelli 1998, Pescitelli and Rung 2004) .....	30
Table 7: Station Location for 2006 Akzo Nobel Antidegradation Analysis (Huff and Huff 2006) .....	30
Table 8: Population and Projections of Various Municipal Corporations .....	32
Table 9: US Census Block Information (2000 US Census) .....	34
Table 10: Agricultural Statistics for Kendall and Grundy Counties (1997 and 2002 Census of Agriculture – USDA, National Agricultural Service) .....	38
Table 11: NPDES Permits Issued Within the Aux Sable Creek Watershed (IEPA) .....	41
Table 12: Ordinances Which Regulate Stormwater, Wetlands, or Protected Resources .....	43
Table 13: IEPA Stream Segments, Designated Use, and Support Status (IEPA 2004) .....	49
Table 14: IEPA 303(d) Aux Sable Creek Watershed Stream Segments, Designated Use, and Impairments (IEPA 2008) .....	49
Table 15: Stream Impairments Identified By the Aux Sable Creek Watershed Steering Committee Listed By Sub-Watershed as Either Unlikely Impairment, Existing Impairment, or Potential Impairment. ....	52
Table 16: Prioritized Action Plan .....	86

## List Appendices

- Appendix 1 – Landowner Bill of Rights
- Appendix 2 – Hydric Soils of Kendall and Grundy Counties
- Appendix 3 – Integrating Multiple Taxa in a Biological Stream Rating System – IDNR , September 2008
- Appendix 4 – Biological Survey of Aux Sable Creek, IDNR, 1998
- Appendix 5 – Status of Fish Communities and Stream Quality in the Upper Illinois River Basin: Mazon River, Aux Sable Creek, Nettle Creek, and Waupecon Creek, IDNR July 2004
- Appendix 6 – Antidegradation Analysis for the Proposed Increase in Sodium Chloride Loading in the Akzo Nobel, Morris, Illinois Facility Effluent, Huff and Huff, December 2006
- Appendix 7 – Ecological Compliance Assessment Tool (EcoCAT) for the Aux Sable Creek Watershed (approximate boundaries) 2007
- Appendix 8 – Illinois State-Listed Threatened or Endangered Species List by County, IDNR, November 2007
- Appendix 9 - Aux Sable Creek Watershed Open Space Plan (Kendall, Grundy, and Will Counties), Wills Burke Kelsey Associates, Ltd., August 2007
- Appendix 10 – Aux Sable Creek Watershed Technical Document (as part of the Watershed Plan)
- Appendix 11 –Comments Received During Public Comment Period
