

## SPONSORSHIP REQUEST FORM

---

*The Nature Quilt Project is a grassroots project inspired by the Nature Quilt Project in Macomb, Illinois. Our local version of the project builds on recommendations of the recent Aux Sable Creek Watershed Plan that recommends introducing the concepts of watersheds and stormwater in the classroom as well as working on programs with children such as precipitation monitoring, runoff tracing, stream monitoring and analysis, and habitat assessments.*

**Project Mission:** *Raising awareness of the assets, opportunities and challenges in our local watersheds to gain a better understanding of the interconnectedness between people and the natural world around them through children's education. We do this through promoting outdoor **environmental education, environmental literacy, the arts, cultural discovery and activism** demonstrating the ability of children to make a positive difference in addressing global environmental challenges.*

---

**Your sponsorship will help us cover project expenses.** Project activities are outlined in more detail in the project brochure. Sponsors will be recognized in a variety of ways, see back for more detail. Recognition will include some of the following:

- Named on the nature quilt.
- Named in project press releases.
- Logo/name on project website.

\_\_\_\_ **Yes!** We/I would like to be a sponsor.

Three levels are anticipated. Sponsors of any level are appreciated.
